Hi Greg and Majd,

I've attached the non-CBI 2016 CDR report for both CASRN associated with GenX. I've also added the report for CASRN 13252-13-6 to the CBI G Drive at: G:\CDR Runs 2016\GenX.

Please let me know if you have any questions.

Thanks

Stephanie

Hi Greg,

The CDR data for the ammonium salt (CAS 62037-80-3) is at G:\CDR Runs 2016\GenX.

Stephanie will run the CDR report for the acid (CAS 13252-13-6) tomorrow morning and will add to the same folder.

Let us know if you need anything else.

Thanks,

Toni Krasnic
